

MileMaster Multi-Purpose Grease #2

DESCRIPTION:

MileMaster Multi-Purpose Grease #2 is a Lithium-based grease, providing extreme pressure and moisture protection in general automotive, industrial and household applications.

QUALITIES:

MileMaster Multi-Purpose Grease #2 is an excellent grease for most general purpose grease applications.

- Economic Lithium-based lubricating grease

APPLICATIONS:

MileMaster Multi-Purpose Grease #2 is recommended for general automotive and household applications.

TYPICAL PROPERTIES:

Material Code	66147008
NLGI Grade	2
Penetration Worked ASTM D217	280
Grease Type	Lithium
Color	Dark Brown
Timken OK Load lb.	40
Dropping Point D 566 °F	320
Rust Prevention ASTM D 1743	Pass
