

SERVICE PRO® PREMIUM EP-2 LITHIUM GREASE

DESCRIPTION: SERVICE PRO® Premium EP-2 Lithium Grease is a versatile all-purpose grease formulated for normal temperature/speed conditions and non-critical service applications.

**PERFORMANCE
BENEFITS:**

- Water insoluble
- Good pumpability
- High shear stability
- Outstanding protection against rust
- Resistance against water washout
- Good high temperature stability
- Extreme pressure properties

TYPICAL PROPERTIES:

SERVICE PRO® PREMIUM EP-2 LITHIUM GREASE

NLGI Consistency Number	2
Thickener	Lithium Stearate
Texture	Smooth, Medium Fiber
Color, Observed	Amber
Worked 60 Penetration, D-217	265-295
Dropping Point, D-566, °F. (°C.)	320 (160)
Approximate Temperature Range, °F. (°C.)	0 to 265 (-18 to 129)
Viscosities:	
@ 100°C., cSt. (SUS)	9.36 to 12.6 (57 to 69)
@ 210°F., cSt. (SUS)	9.65 to 13.0 (58 to 70)
